This is also applicable to mantras of Maha Sankalpam given below.

Summary meaning:Here again apart from locating oneself with reference to time , one locates himself with reference to place also.We are supposed to live in Jambu Dweepa, Bharatha Kanda which is south of the great mountain Maha meru.Then again this Bhasratha Kanda is blessed with many holy rivers and holy places.Then prayer is done to God to pardon sins committed by word, thought and deed, because this was done inspite of his great grace which made us be born as human beings after several wheels of birth.Also the sins performed during several ages in life is highlighted.Some of the sins specifically mentioned are those done while earning money without conscience, giving money to improper people, actions which did not suit the caste we are born in, sins due to non performance of actions which ought to have been done and so on. We pray God and tell him that we would take bath in holy pure water and then start the veda parayanas which is our duty as Brahmin.

4.Yagnopa veetha dharana manthra
